- carriage way approx. 24 cm
- food tray
- cable compartment
- warranty: 2 years*, product made in Germany

Technical features

- 230 V, 65 Watt eco-motor, duty cycle 5 minutes
- VDE/GS, protection class 2, CE
- dimensions: width 25.5 cm height 25.0 cm
depth 37.5 cm
- weight: 3.7 kg

Electrical food slicer inteso⁴

Our food slicer inteso⁴ offers a very high level of stability and slicing performance – and not only due to its full metal design; the inclined position of the food carriage makes it possible to slice very large and soft foods particularly easily.

The continuous and intermittent switch, the circular blade cover and the easy removal of the smooth-running carriage with stainless steel plating ensure a high level of operating comfort.

Compared to the previous model, the 65 Watt Eco motor is 20 % more economical and yet 50 % more powerful.

A smooth ham- and sausage circular blade is available for every ritter food slicer.

Technical data are subject to change

*The 2-year manufacturer's warranty applies to all devices sold within the European Union. Your legal warranty claims according to § 437 ff. BGB (German Civil Code) remain unaffected by this regulation. You can view the warranty conditions at <https://www.ritterwerk.de/warranty>.
